Type: B-TC400ND-SC

BATTERY-POWERED HYDRAULIC CABLE CUTTER, BI-LINEAR, SUITABLE FOR COPPER AND ALUMI-
NUM CABLES AND TELEPHONE CABLES WITH MAX Ø 40MM

Technical information	
Maximum cutting diameter	40 mm
Head shape	Scissor
Operating temperature range	-15-50 °C
Pressure relief	Manual
Presence of display	No
Pressure control system	max pressure valve
Power supply voltage	18 V
Hydraulic oil type	TOTAL DIEKAN 1640
Recommended PPE	Gloves;Safety glasses
Mains power connection	type C
Presence of residual charge indicator	Yes
Insulated	No
Power supply	Electrical motor (battery)

Weight and dimensions	
Operating weight	3.55 kg
Dimensions	466x111x80 mm

Logistics	
Minimum packing unit	1
Standard packing unit	1

Sales supply	
1 x CB1820L battery; ASC55-EU battery charger; USB cable; shoulder strap; VAL-M/X1 plastic case
